Ideal for the new extra large sewing machines—
such as the New Bernina 800 series, Brother Innov-is I,
Janome Horizon 7700 and the 12000 amongst others but
its not just for larger machines its also ideal for all normal
sized domestic sewing machines too!*

The CALYPSO - still compact when Closed

Celebrating...
30
years
...of offering high quality craft
furniture & excellent service to
the dedicated sewer
1982 to 2012

It will store both your sewing machine
and your overlocker or perhaps another
smaller sewing machine

Design

The CALYPSO is based on one of our most
popular designs ever— the Nova— but with an
amazing new door improvement

Like the Superior
the Calypso is made
with greater depth
to it to legroom
space

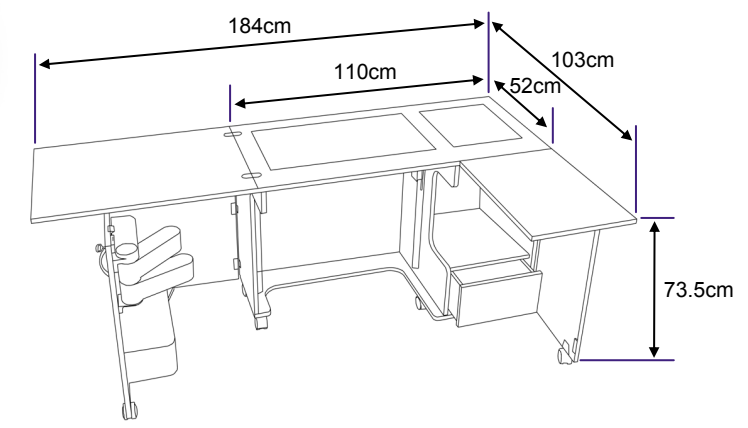

The radical CALYPSO design gives plenty of
width and depth to give you greater leg room
and ultimately comfort. Made even better if you
add a Horn Hobby chair to your perfect sewing
space!
